Dear Members of the Huntington Middle School Orchestra:

Thank you for writing me in the White House! Your letters are so wonderful, and I appreciate the effort each one of you put into your note. As I say to my daughters, it's important to always do your best.

Many of you asked about Malia and Sasha, and I want you to know that they really enjoy living in the White House and discovering the history that surrounds them in our new home. But it's not just our house – it's yours too! The White House is a place that all Americans should treasure and enjoy. You can learn more about it at www.whitehouse.gov or take a look through the rooms at www.whitehousehistory.org.

So keep up the good work, and know that everything you need to accomplish your dreams is inside of you. With a lot of hard work, you can do anything!

Sincerely,

Michelle Obama
